

## REMARKS

Applicant has studied the Office Action dated March 20, 2007 and has made amendments to the claims. Applicant respectfully requests entry of this amendment under the provisions of 37 C.F.R. § 1.116(a) in that it places the application and claims in condition for allowance or, at least, presents the application in better form for appeal. It is submitted that the application, as amended, is in condition for allowance. Claims 1-3, 5-17, and 19-24 are pending. Claims 1 and 7 have been amended. Reconsideration and allowance of the pending claims in view of the above amendments and the following remarks are respectfully requested.

Claims 1-3 and 5-14 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1 and 7 have been amended in light of the specific comment of the Examiner. Applicant submits that all pending claims are now clear and definite. Therefore, it is respectfully submitted that the rejection of claims 1-3 and 5-14 under 35 U.S.C. § 112, second paragraph, should be withdrawn.

Applicant thanks the Examiner for indicating that claims 15-17 and claims 19-24 are allowable over the art of record, and that claims 1-3 and 5-14 would be allowable if rewritten to overcome the rejection under 35 U.S.C. § 112. Claims 1 and 7 have been amended to overcome the rejection under 35 U.S.C. § 112. Claims 2, 3, 5, and 6 depend from amended claim 1, and claims 8-14 depend from amended claim 7. Accordingly, it is respectfully submitted that claims 1-3, 5-17, and 19-24 are in condition for allowance.

In view of the foregoing, it is respectfully submitted that the application and the claims are in condition for allowance. Reexamination and reconsideration of the application, as amended, are requested.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is invited to call the undersigned attorney at (561) 989-9811 should the Examiner believe a telephone interview would advance the prosecution of the application.

Respectfully submitted,

Date: June 20, 2007
